

## 8 **Develop aesthetic responsiveness: involvement with the arts**

- Level 1 — Articulate a personal response to various works of art
- Level 2 — Explain how personal and formal factors shape own responses to works of art
- Level 3 — Connect art and own responses to art to broader contexts
- Level 4 — Take a position on the merits of specific artistic works and reconsider own judgments about specific works as knowledge and experience change

*In majors and areas of specialization:*

- Level 5 — Choose and discuss artistic works which reflect personal vision of what it means to be human
- Level 6 — Demonstrate the impact of the arts on her life to this point and project their role in personal future
