

8 Develop aesthetic engagement: involvement with the arts

Level 1 — Articulate a personal response to various works of art

Level 2 — Explain how personal and formal factors shape own responses to works of art

Level 3 — Connect art and own responses to art to broader contexts

Level 4 — Take a position on the merits of specific artistic works and reconsider own judgments about specific works as knowledge and experience change

In majors and areas of specialization:

Level 5 — Choose and discuss artistic works which reflect personal vision of what it means to be human

Level 6 — Demonstrate the impact of the arts on her life to this point and project their role in personal future
