

7 Develop effective citizenship

Level 1 — Situate self within different public contexts

Level 2 — Relate own position on issues to others, in public contexts

Level 3 — Employ participatory skills necessary for effective citizenship in a new public context

Level 4 — Define and assume new role in dealing with social and/or professional problems in a public context

In majors and areas of specialization:

Level 5 — Show ability to plan for effective change in social or professional areas

Level 6 — Exercise leadership in addressing social or professional issues
